This built-in oven has nine functions with pre-set temperatures, including Bake, Pastry Bake and Fan Forced, allowing you to use a variety of cooking styles.

Pre-set oven functions

Oven functions are pre-set at the touch of a dial and brilliant lighting combined with a large viewing window reduce the need to open the oven door, providing perfect cooking results and improving energy efficiency.

Sized to suit

The CoolTouch door with triple glazing and cooling system is safe to touch from the outside, protecting your hands and the surrounding cabinetry.

Perfect results
